

INDEXES FOR EVERY COLLECTED SAMPLE DURING  
THE EXPEDITION N.....1989 CARRIED OUT BY IIRR  
SADOVO UNDER THE GUIDANCE OF *L. Krasteva*

1. Number (the serial number of the collected material) ... *1* .....
2. Date ... *4.1.1989* .....
3. Expedition's organizer ... *Lilia Krasteva* .....
4. Country ... *Bulgaria* .....
5. Genus, variety ... *Phaseolus vulgaris* .....
6. Sort (local, name) .....
7. Elevation above sea level .....
8. Kind of the material (seed, tubes and others) ... *seed* .....
9. Region, location, place (village, town, district) ... *3* .....
- town - Stanke Dimitrov* ... *Sofia district* .....
10. Status - spring, winter, winter-spring .....
11. Source (field, garden, market) ... *market* .....
12. Kind of the sample (population, line) ... *population* .....
13. Name and address of the donor .....
14. Extra information (photos, descriptions) .....
15. Quantity of the material ... *1 kg* .....

INDEXES FOR EVERY COLLECTED SAMPLE DURING  
THE EXPEDITION N.....1989 CARRIED OUT BY IIRR  
SADOVO UNDER THE GUIDANCE OF .....

1. Number (the serial number of the collected material) ... *2* .....
2. Date ... *4.1.1989* .....
3. Expedition's organizer ... *Stephan Neikov* .....
4. Country ... *Bulgaria* .....
5. Genus, variety ... *Allium Ceba* .....
6. Sort (local, name) .....
7. Elevation above sea level .....
8. Kind of the material (seed, tubes and others) ... *tubes* .....
9. Region, location, place (village, town, district) .....
- town - Stanke Dimitrov* ... *Sofia district* .....
10. Status - spring, winter, winter-spring .....
11. Source (field, garden, market) ... *market* .....
12. Kind of the sample (population, line) ... *population* .....
13. Name and address of the donor ... *Slavianka Georgieva* .....
14. Extra information (photos, descriptions) .....
15. Quantity of the material ... *1 kg* .....

INDEXES FOR EVERY COLLECTED SAMPLE DURING  
THE EXPEDITION N.....1989 CARRIED OUT BY IIRR  
SADOVO UNDER THE GUIDANCE OF .....

1. Number (the serial number of the collected material).....3.....
2. Date...4 X 1989.....
3. Expedition's organizer...Lilia Krersteva.....
4. Country...Bulgaria.....
5. Genus, variety...Capsicum...annuum.....
6. Sort (local name)...kambeta.....
7. Elivation above sea lever.....
8. Kind of the material (seed, tubes and others).....
9. Region, location, place (villiage, town, district).....  
town - Stanke Dimitrov.....district - Sofia.....
10. Status - spring, winter, winter-spring .....
11. Source (field, garden, market)...market.....
12. Kind of the sample (population, line)...population.....
13. Name and adres of the donor.....
14. Extra information (photoes, descriptions).....
15. Quantitu of the material .....

INDEXES FOR EVERY COLLECTED SAMPLE DURING  
THE EXPEDITION N.....1989 CARRIED OUT BY IIRR  
SADOVO UNDER THE GUIDANCE OF .....

1. Number (the serial number of the collected material).....4.....
2. Date...4 X 1989.....
3. Expedition's organizer...Lilia Krersteva.....
4. Country...Bulgaria.....
5. Genus, variety...Phaseolus vulgaris.....
6. Sort (local name)...pritkar.....
7. Elivation above sea lever.....
8. Kind of the material (seed, tubes and others).....
9. Region, location, place (villiage, town, district).....  
town - Stanke Dimitrova.....district - Sofia.....
10. Status - spring, winter, winter-spring .....
11. Source (field, garden, market)...market.....
12. Kind of the sample (population, line)...population.....
13. Name and adres of the donor...Liljan Stamenov.....
14. Extra information (photoes, descriptions).....
15. Quantitu of the material ...1 kg.....

INDEXES FOR EVERY COLLECTED SAMPLE DURING  
THE EXPEDITION N.....1989 CARRIED OUT BY IIRR  
SADOVO UNDER THE GUIDANCE OF .....

1. Number (the serial number of the collected material).....5.....
2. Date 4 X 1989.....
3. Expedition's organizer Stephan Neikov.....
4. Country Bulgaria.....
5. Genus, variety Allium cepa.....
6. Sort (local name).....
7. Elevation above sea level.....
8. Kind of the material (seed, tubes and others) tubes.....
9. Region, location, place (village, town, district).....  
village - Slatino..... district - Sofia.....
10. Status - spring, winter, winter-spring.....
11. Source (field, garden, market) field.....
12. Kind of the sample (population, line) population.....
13. Name and address of the donor Giurgena Bagankina.....
14. Extra information (photos, descriptions).....
15. Quantity of the material.....

INDEXES FOR EVERY COLLECTED SAMPLE DURING  
THE EXPEDITION N.....1989 CARRIED OUT BY IIRR  
SADOVO UNDER THE GUIDANCE OF .....

1. Number (the serial number of the collected material).....6.....
2. Date 4 X 1989.....
3. Expedition's organizer Lilia Krevsteva.....
4. Country Bulgaria.....
5. Genus, variety Phaseolus vulgaris.....
6. Sort (local name) pritkar.....
7. Elevation above sea level.....
8. Kind of the material (seed, tubes and others) seed.....
9. Region, location, place (village, town, district).....  
village - Slatino..... district - Sofia.....
10. Status - spring, winter, winter-spring.....
11. Source (field, garden, market) field.....
12. Kind of the sample (population, line) population.....
13. Name and address of the donor Giurgena Bagankina.....
14. Extra information (photos, descriptions).....
15. Quantity of the material.....

INDEXES FOR EVERY COLLECTED SAMPLE DURING  
THE EXPEDITION N.....1989 CARRIED OUT BY IIRR  
SADOVO UNDER THE GUIDANCE OF .....

1. Number (the serial number of the collected material).....4.....
2. Date.....4 X 1989.....
3. Expeditions organizer.....Lilia Kresteva.....
4. Country.....Bulgaria.....
5. Genus, variety.....Zea mays.....
6. Sort (local, name).....
7. Elivation above sea lever.....
8. Kind of the material (seed, tubes and others).....seeds.....
9. Region, location, place (villiage, town, district).....
- .....
10. Status - spring, winter, winter-spring .....
11. Source (field, garden, market).....field.....
12. Kind of the sample (population, line).....population.....
13. Name and adres of the donor.....Giurgena Badankina.....
14. Extra information (photoes, descriptions).....
- .....
15. Quantitu of the material ...50 gr.....

INDEXES FOR EVERY COLLECTED SAMPLE DURING  
THE EXPEDITION N.....1989 CARRIED OUT BY IIRR  
SADOVO UNDER THE GUIDANCE OF .....

1. Number (the serial number of the collected material)....8.....
2. Date.....4 X 1989.....
3. Expeditions organizer.....Lilia Kresteva.....
4. Country.....Bulgaria.....
5. Genus, variety.....Capsicum annum.....
6. Sort (local, name).....
7. Elivation above sea lever.....
8. Kind of the material (seed, tubes and others).....seeds.....
9. Region, location, place (villiage, town, district).....  
villiage - Slatina.....district - Sofia.....
10. Status - spring, winter, winter-spring .....
11. Source (field, garden, market).....field.....
